Information for Donors

Operating Budget

Financial support for our budget comes from the budget of the Halifax Region United Baptist Association, supplemented by a grant from the Atlantic Baptist Foundation and donations from local Baptist Churches and Associations of Baptist Churches. Recently donations from interested individuals, estates and foundations have increased—perhaps as a memorial to someone who spent time in hospital who was blessed by the Hospital Chaplaincy Ministry.

As a Ministry of the Halifax Region United Baptist Association, which is a Registered Charity, all donations are eligible for tax receipts. Tax receipts for donations made in the current fiscal year (January 1 to December 31) will be issued early in the next year.

With accounting and payroll support provided free of charge by the Canadian Baptists of Atlantic Canada (CBAC), office space provided by the hospitals, and oversight provided by a volunteer committee, we are able to keep our overhead to only 2% of our budget. This means that 98% of all donations can be used to hire Chaplains for the provision of Hospital Chaplaincy Ministry.
